

# 5 Perfect Presents For Preschoolers

## Play Doh

This is the perfect toy to build the hand muscles your child needs for writing.

## Legos

These building toys let preschoolers' imaginations run wild. Get the large size blocks with a container to hold them. Make sure your child cleans them up when they finish!

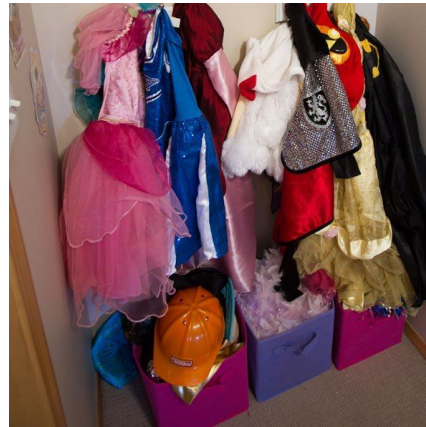

## Unit Blocks

Building with blocks makes children smarter. They have to think, plan and imagine everything they build.

## Cooking and dress up toys

These toys help kids work out their questions about the world around them, so they're not just for girls! If you don't want to buy them, give your preschooler some old clothes and plastic dishes in a box.

## Leap Frog Fridge Phonics

This toddler toy is actually better for preschoolers! It speaks to help them understand letter names and sounds!
