

# SSFAA PRESCHOOL ROOM 111 NEWS

Shayla chooses purple crayons for her art work

## News You Can Use

The year is off to a wonderful start in Room 111! The kids are enjoying their experience. Now that Fall is here, we are talking about changing weather, seasons and what happens during this fun season.

We are also working on how to be a team at school and will start using the Second Step social emotional learning program. Each week you'll get a sheet explaining what we have talked about. Please ask your child about what we are learning!

Last, everyone should receive an October homework

calendar this week. It is filled with fun activities to do with your child at home. Homework is usually for you to keep and use again and again! Please send a backpack every Thursday to carry home their magazine or sight word book (and word practice for those who will enter Kindergarten next year) and any other assignments.

Also, please remember to send the extra clothes and shoes requested on our supply list, and to dress your child for cooler weather, because we will try to go outside every day while we can. Feel free to contact us

with any questions at the number below or via email at [hmduncan@cps.edu](mailto:hmduncan@cps.edu).
