

# SSFAA PRESCHOOL ROOM 111 NEWS

Kaydiahn makes cards to practice color names

## News You Can Use

As we head into the final month of 2017, we in Room 111 marvel at how swiftly the days have flown. We've even had a little snow! As such, there will be a lot talk about the approach of Winter and its exciting holidays. Please remember that those holidays are not celebrated in CPS classrooms, so there will be no parties, sweets or gift exchanges.

In December we are learning about **shapes** and the different kinds of **lines** we use to make them. This will help kids understand how to use

lines to create symbols to communicate. The lines will become pictures, letters and words, so it's important to know how to make them and put them together. (Don't forget to ask your child about the words in **bold type!**)

Last, cold, wet weather is here! If you have never provided extra shoes, now is the time. We are not sure how often our floors will be cleaned, so we try to keep them clean ourselves. To do this, it's best for us to change footwear on days when we will track in with wet boots or shoes.

As always, feel free to contact us with any questions at the number below or via email at [hmduncan@cps.edu](mailto:hmduncan@cps.edu). Don't forget to check our website, Facebook page and Facebook group regularly and follow @authenticpreschool on Twitter for links to pictures and stories about Room 111! Use this QR code to get there fast!

**December's Important Dates:**  
**December 23rd-January 8th:** No School - Holiday Break
