

SSFAA PRESCHOOL ROOM 111 NEWS

Titan makes a K with his body.

News You Can Use

Though February is off to a rocky - or snowy- start, we have big plans for the shortest month in room 111. We will talk about a few key figures in Black History this month, and will be reading books with complicated ideas that kids may want to talk about. Please let us know if you need ideas for explaining some of the more uncomfortable topics.

We also want to share one of our favorite classroom activities, Guess My Letter. In this game students try to guess a letter being drawn while given only a few key parts of the letter to look at. It's great practice for forming letters correctly and a lot of fun as well. The kids have a blast and get

a great letter writing lesson every time we play.

Last, please be mindful of our classroom floors and carpets during these sloppy winter months. Room 111 kids and teachers spend a lot of time down there, so please walk around the rugs instead of on them, and make an effort to wipe your feet on the way in the school and keep drippy boots near the door if possible during drop off and pickup. Also, do you have an extra set of shoes at home that your child can wear in the classroom? Bring them to school so that wet, slushy boots can stay in the cubby area and children can move

freely without hot, heavy snow boots.

As always, feel free to contact us with any questions at the number below or via email at hmduncan@cps.edu. Don't forget to check our website, Facebook page and Facebook group regularly and follow @authenticpreschool on Twitter for links to pictures and stories about Room 111! Use this QR code to get there fast!
